

You have places to go.

A new program keeps you moving, even if you don't drive anymore.

TRIP Metro North gives you the tools you need to recruit friends, neighbors, or relatives* to drive you where you need to go – and the money to reimburse them for mileage! With **TRIP Metro North**, you can get to the doctor, the market, or out to meet friends, all on your own terms.

TRIP Metro North is open to elders and adults with disabilities who live in Everett, Malden, Medford, Melrose, North Reading, Reading, Stoneham, and Wakefield; who are not eligible for The Ride; and who have no other transportation available.
